

Worship Services at Countryside Presbyterian Church

Worship at Countryside

Countryside Presbyterian Church is open for in-person worship every Sunday morning. Please join us!

At 9:00 a.m. we offer an early service featuring contemporary music and weekly communion in our fellowship hall, which was our original sanctuary before our building expansion.

At 10:30 a.m. we offer a traditional / blended service in our sanctuary.

We do our best to provide a worship occasion which blends both tradition and diversity.

An online recording of our worship service is posted by 2:00 p.m. each Sunday afternoon for persons joining us through home-viewing. We have recently begun live streaming through our YouTube channel. See our main website page for links to online viewing and other helpful information.

Worship recordings are viewable from Sunday afternoon through the upcoming week until the next Sunday.

“Worship is the heart of any church. Christian worship joyfully ascribes all praise and honor, glory and power to the triune God. In worship the people of God acknowledge God present in the world and in their lives. As they respond to God’s claim and redemptive action in Jesus Christ, believers are transformed and renewed. In worship the faithful offer themselves to God and are equipped for God’s service in the world.” (Directory for Worship, W1.1001)
